**Balloting Conditions:** Should a ballot be required to reach the safety limit of 20 horses then final acceptors will be balloted in the following order:

1. Maidens at the time of final acceptance.
  2. Horses Three-Years-Old which have not:-
    - a) Received prizemoney of \$30,000 or over for being placed 2nd or 3rd in any one race.
- OR
- b) Won a race on the flat of the advertised value to the winner of \$50,000 or over.
3. Horses will be rejected beginning with horses handicapped (including penalties) to carry the lowest weight. Ballot between horses on the same handicap weight will be by their NSW domestic handicap rating. Horses with the lowest rating at final acceptances shall be the first rejected, this procedure will continue until the safety limit is reached. Should a further ballot be required between horses with the same NSW handicap rating at final acceptances then the ballot will be by age; beginning with the older horse; with horses of the same age, the horse with the lowest aggregate prizemoney shall be eliminated first.
- Provided that prizemoney acquired as follows will not be taken into account for any elimination clauses: (a) Prizemoney acquired by a horse(s) in any race restricted to horses sold at a particular sale or bred, trained or sold in a particular region or state and, (b) Bonuses and/or incentives received by a horse in respect of any race.
4. Provided that the Board may in its absolute discretion exclude any horse or horses from the above elimination clauses or reject the entry of any other horse or horse.

The order above is based on the full application of the ballot conditions applicable to the 2009 Doncaaster Mile, and reflects the horses current true position. The order of entry will therefore fluctuate until final acceptances, as determined by ratings.
