**Balloting Conditions:** *In accordance with the Conditions of Entry, in the event of a ballot, horses will be rejected beginning with those handicapped (including penalties) to carry the lowest weight. Ballot between horses on the same handicap weight will be by their NSW domestic handicap rating (as determined by the Racing NSW Handicapping Panel). Horses with the lowest rating at final acceptances shall be the first rejected, until the field limit is reached. The order of entry will therefore fluctuate until final acceptances, as determined by ratings. Full Balloting Conditions for the Group 1-Schweppes Sydney Cup are advertised in the programs section of the Racing NSW Magazine (calendar).*
